

Usual Meeting Time and Place

The next meeting of the Club will be Thursday, September 13. This, the first meeting of the new year, will go off with a big bang. Dr. & Mrs. Willard Steele, Sr., will present their color slides and describe their very recent trip through the east coast of South America and Africa. They spent considerable time in Africa, including the Union of South Africa, North and South Rhodesia, Tanganyika, Mozambique (? where's that ?), Kenya, Ethiopia, etc. They met the people and photographed the wildlife. Come out and enjoy these pictures, as well as Dr. & Mrs. Steele's witty narration.

Also, Dave Delany is to announce and show the winners for the color slide division of the August assignment contest. As you remember, this one was entitled, "Open Subject". There were some exceptionally fine pictures entered and we eagerly look forward to seeing the winners.

Dave reports that the entries in the next contest, "Landscapes, Seascapes" are due at the October 11 meeting. This is the last assignment contest for the year. Let's, everybody, enter.

Field Trip !!

Thursday, September 27, at 8:00 P.M. An Inspection Trip has been arranged to tour W. M. Cline Co. Color Processing Laboratory. This tour will last about 1½ hours and provides a wonderful opportunity for you to see and understand how a thoroughly up-to-date, modern color plant processes your color films and prints. We will all assemble at the plant on 1819 Dayton Blvd. at 8:00 P.M. under the guidance of Herman Lamb and R. T. Smith, who have made the arrangements.

Our new secretary, Leonard Munson, reminds us that 1962-1963 dues are payable. Since our dues are presently the only source of Club revenue, your prompt payment will enable our Club to carry out the new program with facilitation. Just in case Leonard misses you at the meeting, kindly mail your check for \$5.00 to him at 4101 Dogwood Lane, Chattanooga 11, Tennessee.

We are most happy to welcome as new members Mr. & Mrs. Archer H. Profitt and Mr. Wilton A. Lee.

Remember, Dr. & Mrs. Willard Steele next meeting night at 7:45 P.M.
