

The next monthly meeting of the PSC will be this Thursday, November 8, 7:45 P. M. at Brainerd Branch, American National Bank, 3535 Brainerd Road.

Main feature of this meeting will be "How to Photograph a Wedding" (or how not to - Ed. note). Two of our members, R. T. Smith and M. C. Charles recently photographed a wedding and are to relate some of their experiences. Bob will talk on shooting black and white; and Mario will cover the 35 mm color phase of wedding photography. This combined talk promises to be very interesting and informative. A wedding is a paramount event and photographing it is in a field of its own. They will tell what to take, what not to take, and when; in both cases.

Fred Hines is arranging a color photography course with Fred Bond, the noted expert on color photography and author of several books and many magazine articles on the subject.

This course is limited to only 25 persons and will meet once a week. The cost is a very nominal \$12.00 (maybe \$15.00), depending on Fred's negotiations for an instructor and the "professional stipend" required. The above fee includes the text book and all materials required except your film.

For complete information and to be sure of your enrollment, call Fred at 629-5501 - as soon as possible.

Plans for the annual Christmas Party are shaping up in a dandy manner. Mark your calendar now for Friday, December 7 -- the place - Wimberly Inn.

Note again - THIS meeting in Brainerd, (There will be a Coke and coffee refreshment interlude.)
